WELCOME TO THE NSCB 25/26 SEASON!

Dear Parents and Players,

On behalf of the North Shore Baseball Club Committee, we're excited to welcome you to the 26/27 season! This Parent/Player Guide includes key information to help you navigate the upcoming season—what to expect, who to contact, and how we work together to make this a great experience for all our families.

Our club is proud to continue offering a fun, supportive, and high-quality program for our players. We are a 100% volunteer-run organisation, committed to creating a safe and inclusive space where children can build skills, gain confidence, and enjoy the game of baseball. We believe baseball teaches life lessons such as teamwork, sportsmanship, perseverance, respect, and courage. These are traits that shape great players and great people.

Whether you're a returning family or joining us for the first time, we're so glad to have you with us this season.

Let's play ball!

CORE VALUES

Service

As an all-volunteer club, parents and players all strive to put more into the club than we get out of it. We contribute to management, coaching, maintenance, fundraising, and community outreach with enthusiasm and accountability. We pay it forward. We don't leave work for others that we can do ourselves. And we do it all to serve the players – coaches evaluate and assign players in an unbiased manner and encourage all players to develop and take on new challenges.

Hustle

Hustle is about playing baseball in an alert and energetic manner. On the diamond, whether playing or practicing, we hustle because it respects those working to help us (coaches, scorers, umpires, supporters), because it respects the opposition, because it can be the winning edge, and because it's baseball the right way. No matter the score, inning or number of outs, our players always give their best. Hustle is also about tenacity and self-control in the face of big challenges and frustrating scorelines. We never play angry and we don't get down on ourselves or our teammates.

Respect

We work and play with respect toward coaches, teammates, opponents, umpires, supporters, facilities, and equipment. We acknowledge the service of others. We respect the time of others. We respect our grounds and equipment so they're ready for us when we need them and because this respects those providing them for us (ratepayers, sponsors, the club, family). We respect our opponents because without them we cannot play – we show good sportsmanship, we don't stop hustling if we're behind, and when we win we display grace and humility.

HOW CAN I HELP OUT AS A PARENT?

Our Club is 100% Volunteer run and we simply couldn't do it without the support of our amazing parent community!

Some opportunities for volunteering are:

- **Coaching (Head, Assistant, Dugout)**
- **Team Manager**
- **Groundskeeper**
- **Umpire**
- **Scorekeeper**

Don't worry if you don't have a huge understanding of the rules of baseball — many of our volunteers start with little or no knowledge of the game. We provide support if you are willing to take on any of these roles.

Volunteering is a great chance to learn as you go, share the experience with your child, and be part of a fun, supportive community.

If you're keen to volunteer, email admin@nscbaseball.co.nz for more information.

PARENT RESPONSIBILITY

- It's a game — it's meant to be fun!

Be:

- On time, to the best of your ability.
